

CLEVELAND
LEADERSHIP CENTER

**CAMPUS
CLEVELAND**

Campus Cleveland is helping to grow Cleveland's population by connecting college-age students to Cleveland's neighborhoods and civic opportunities.

Campus Cleveland immerses summer interns in the community and connects them with the people, projects, and ideas advancing Northeast Ohio. Establishing these strong connections develops a sense of community and involvement and increases the likelihood that they'll be eager to launch their careers in Cleveland, expanding the talent pool and ensuring a thriving future for Cleveland.

Highlighting the challenges our community faces.

Connecting students to people addressing those challenges.

Encouraging self-reflection to develop leadership skills.

Immersing students in the civic and social scenes.

Helping students envision life in Cleveland after graduation.
