

CIVIC LEADERSHIP INSTITUTE

"The CLI program invigorates attendees, introducing them to fellow Clevelanders making significant impact, and energizing them to do the same thing. Employees who attend CLI return to work with refreshed passion and purpose, and a new determination to make a difference in our work and in our community."

Ruth Barnum, VP Marketing, Apex Dermatology

Hear and experience the important issues and assets in Cleveland through Civic Leadership Institute (CLI). CLI is an immersion into critical local issues that highlights the people and organizations addressing them, while connecting you to leaders from across Northeast Ohio.
