LOOK UP TO CLEVELAND SCHOOL YEAR

"I learned about leadership by observing and talking to some of the city's best leaders and the people making Cleveland special. I have learned so much about the culture, business, government, art, and neighborhoods of Cleveland, and have learned how to lead others to create change."

LUTC 2023 Participant

Look Up To Cleveland (LUTC) connects high school students to the people, places, and projects moving Cleveland forward. They develop leadership and collaboration skills, and discover how they can contribute to their community right now.
